la luce ,  
sorgente di energia positiva,  
anima ciò che sfiora,

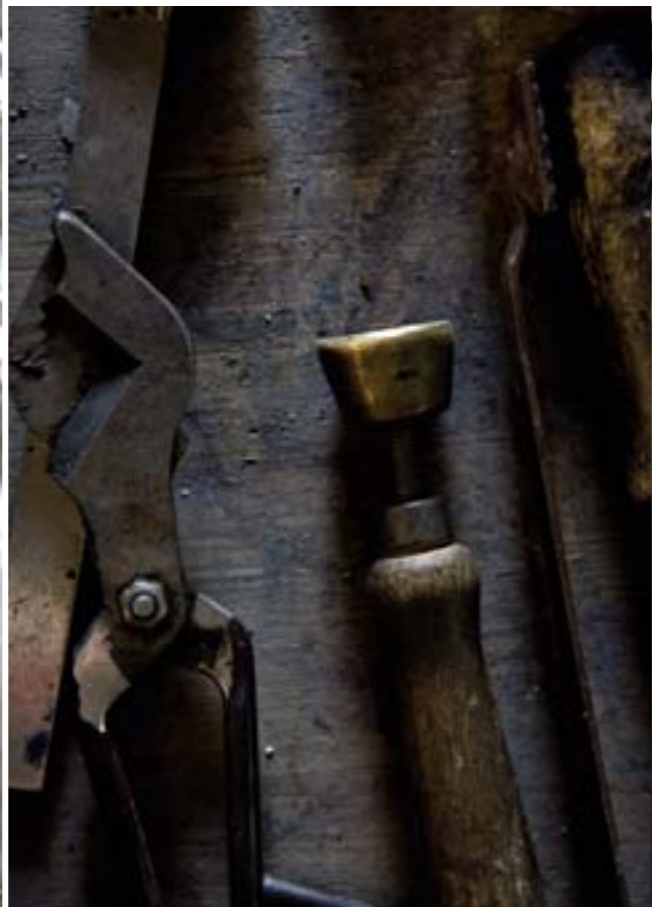

light,  
a source of positive energy, brightens up  
everything it touches,

crea atmosfere magiche,  
diventando indiscutibile protagonista  
in un forte ed inatteso contrasto con il contenuto.

creates magical atmospheres,  
becomes the unquestionable protagonist  
and provides a striking and unexpected contrast  
with content.

iris

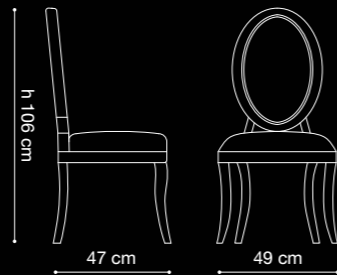

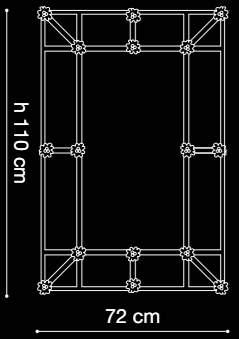

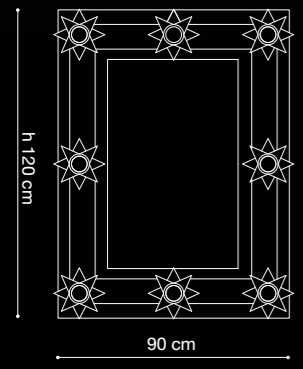

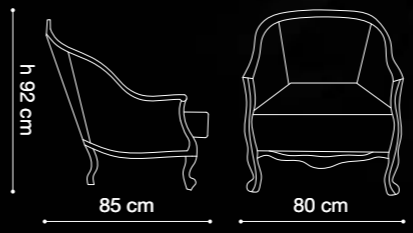

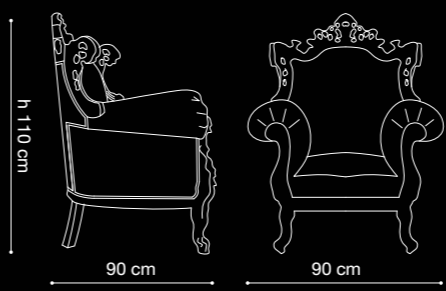

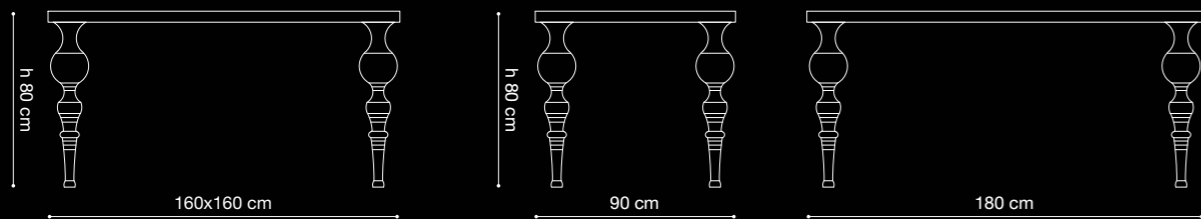

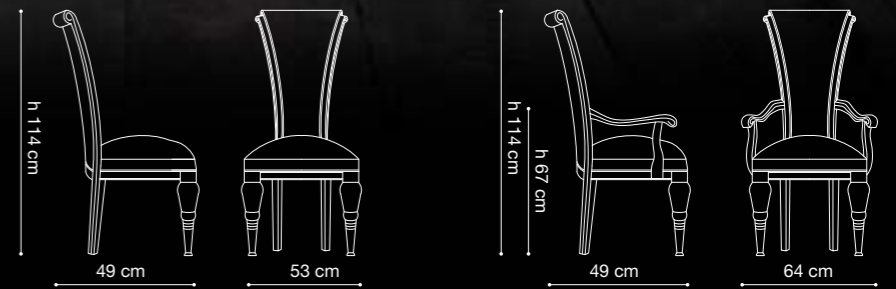

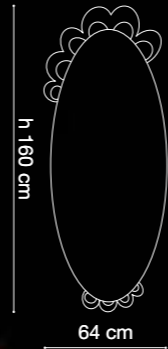

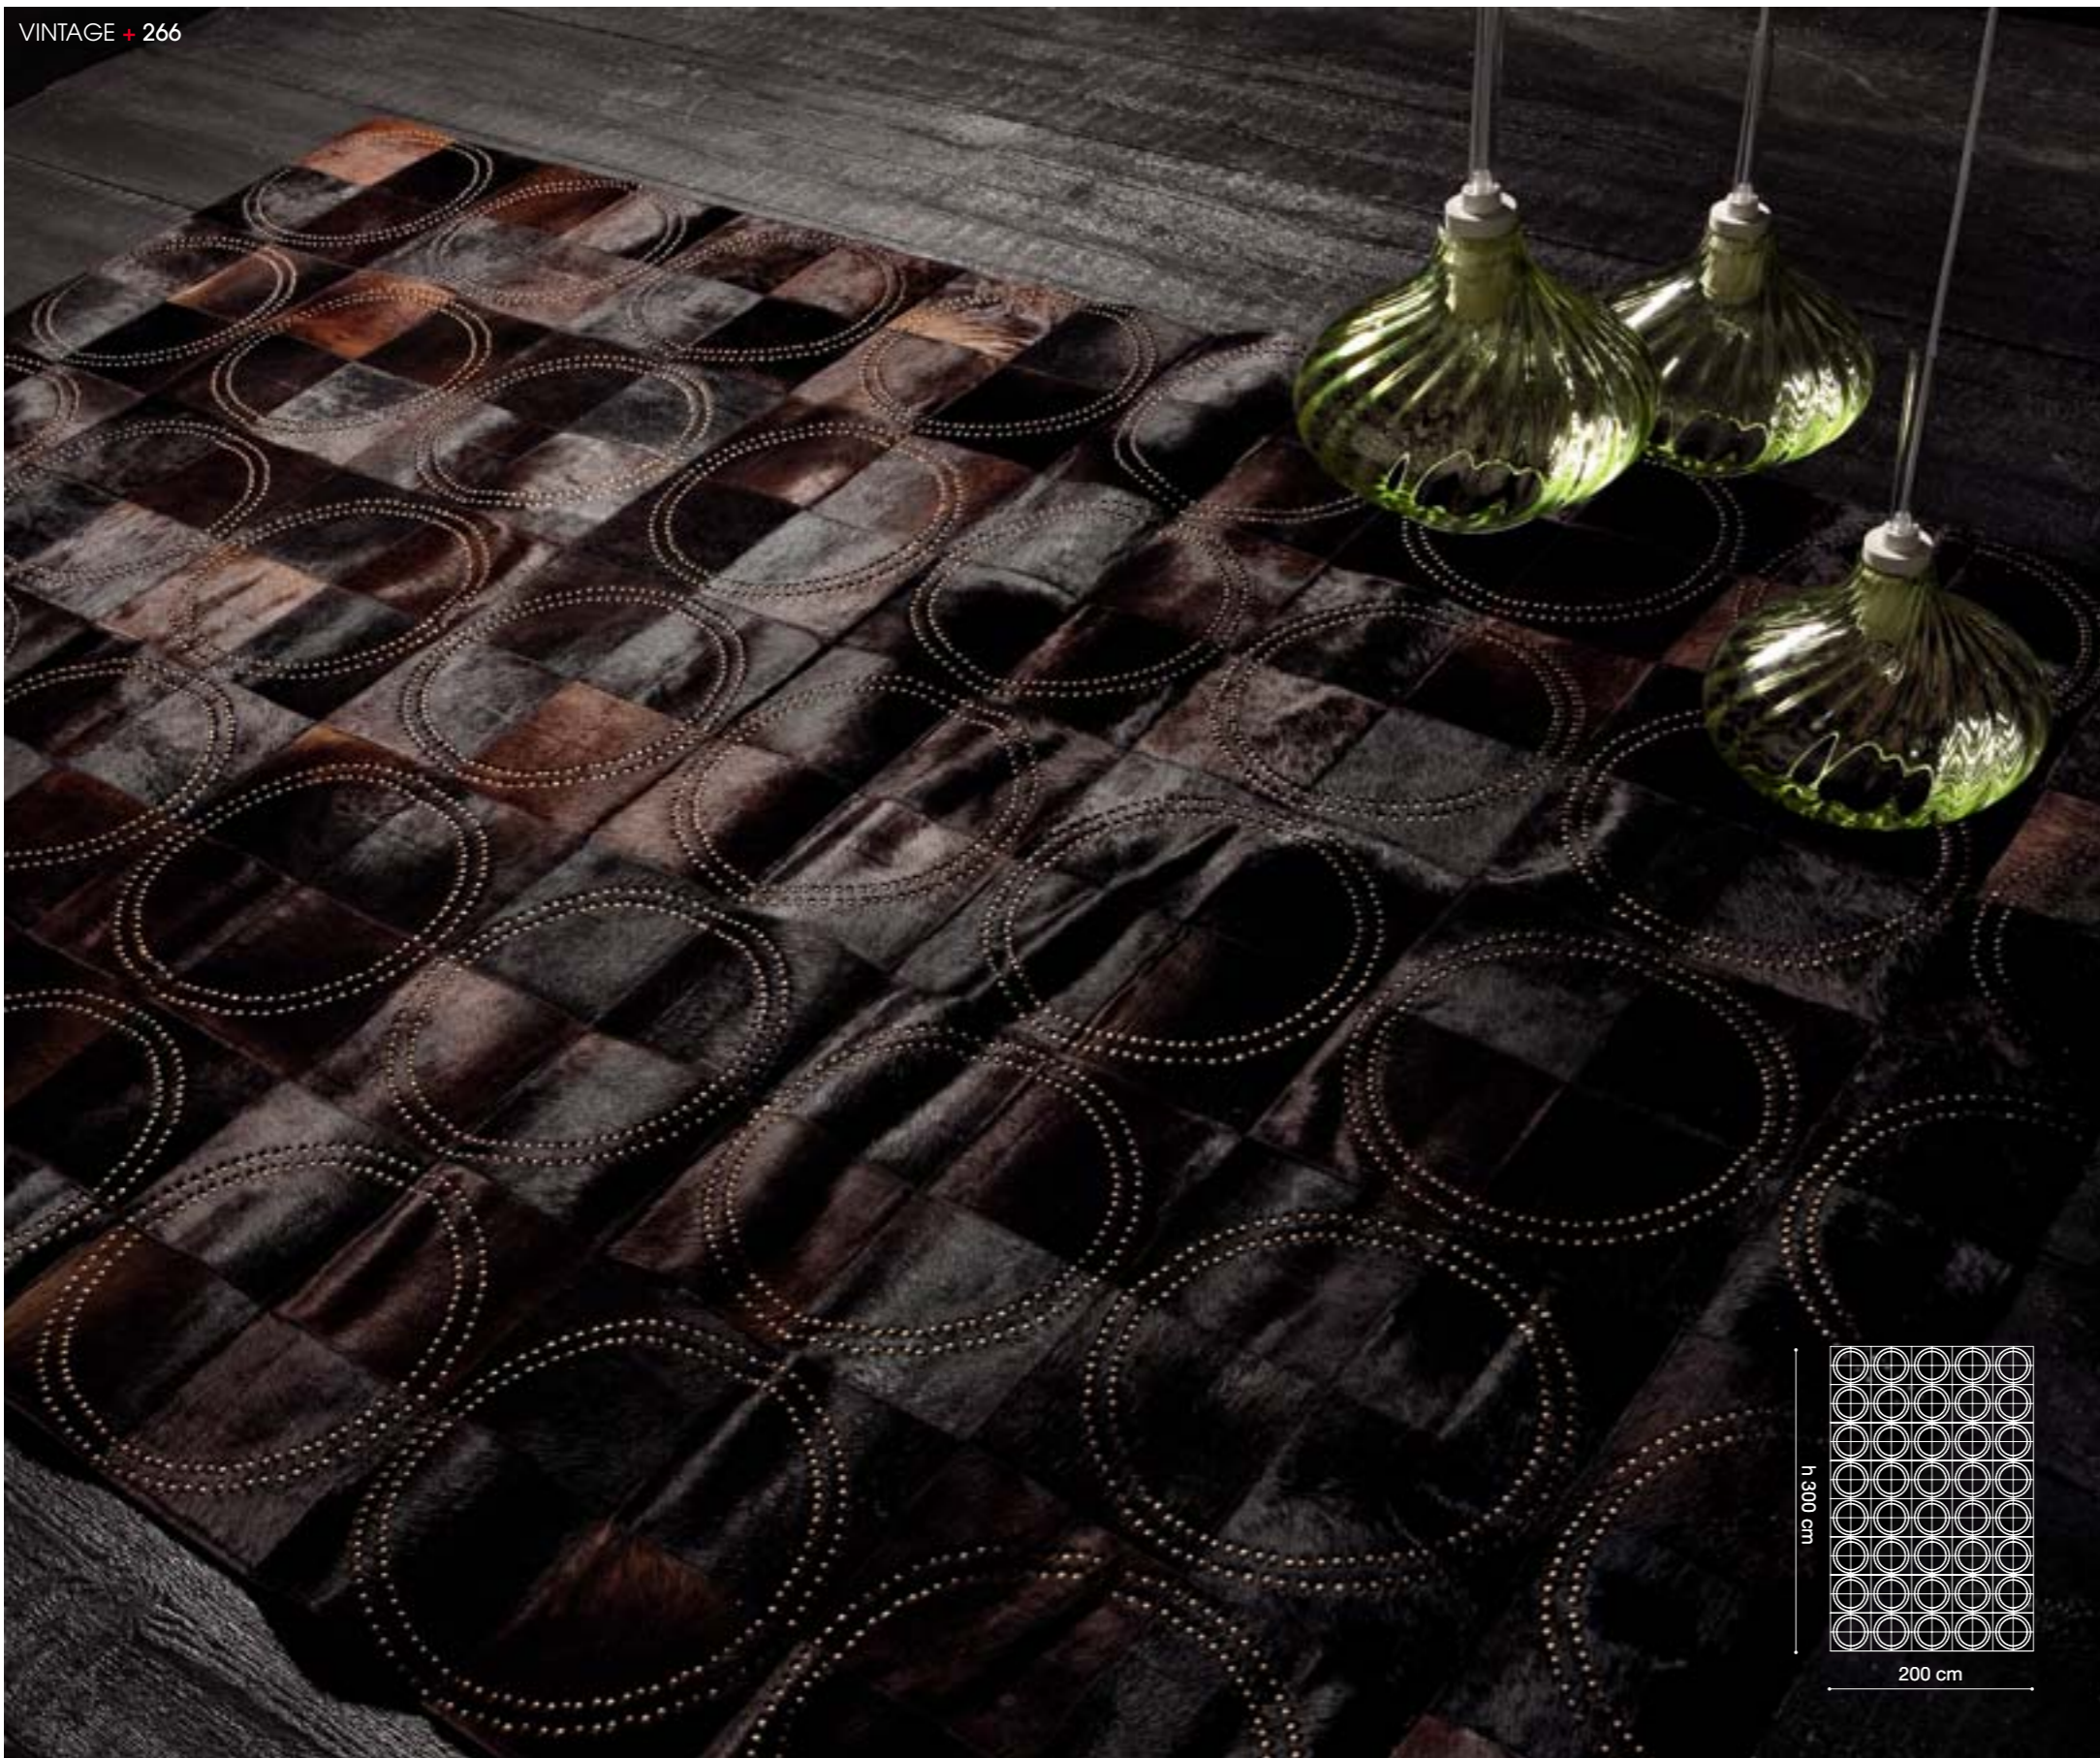

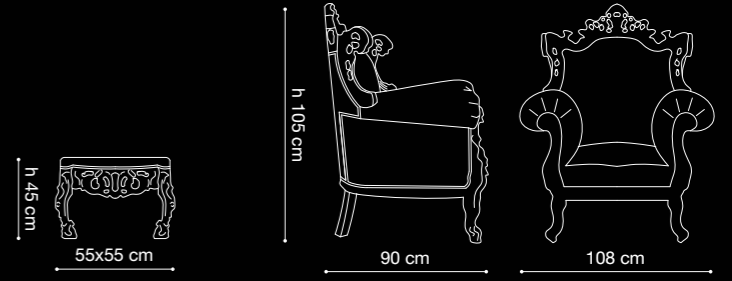

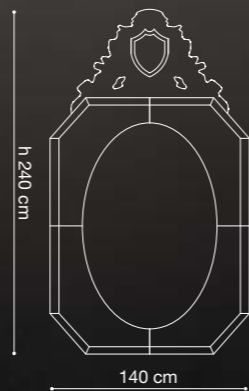

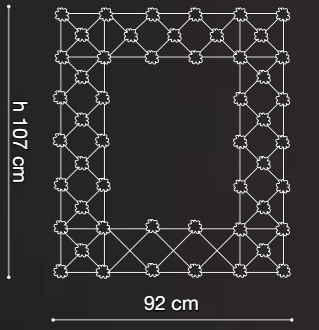

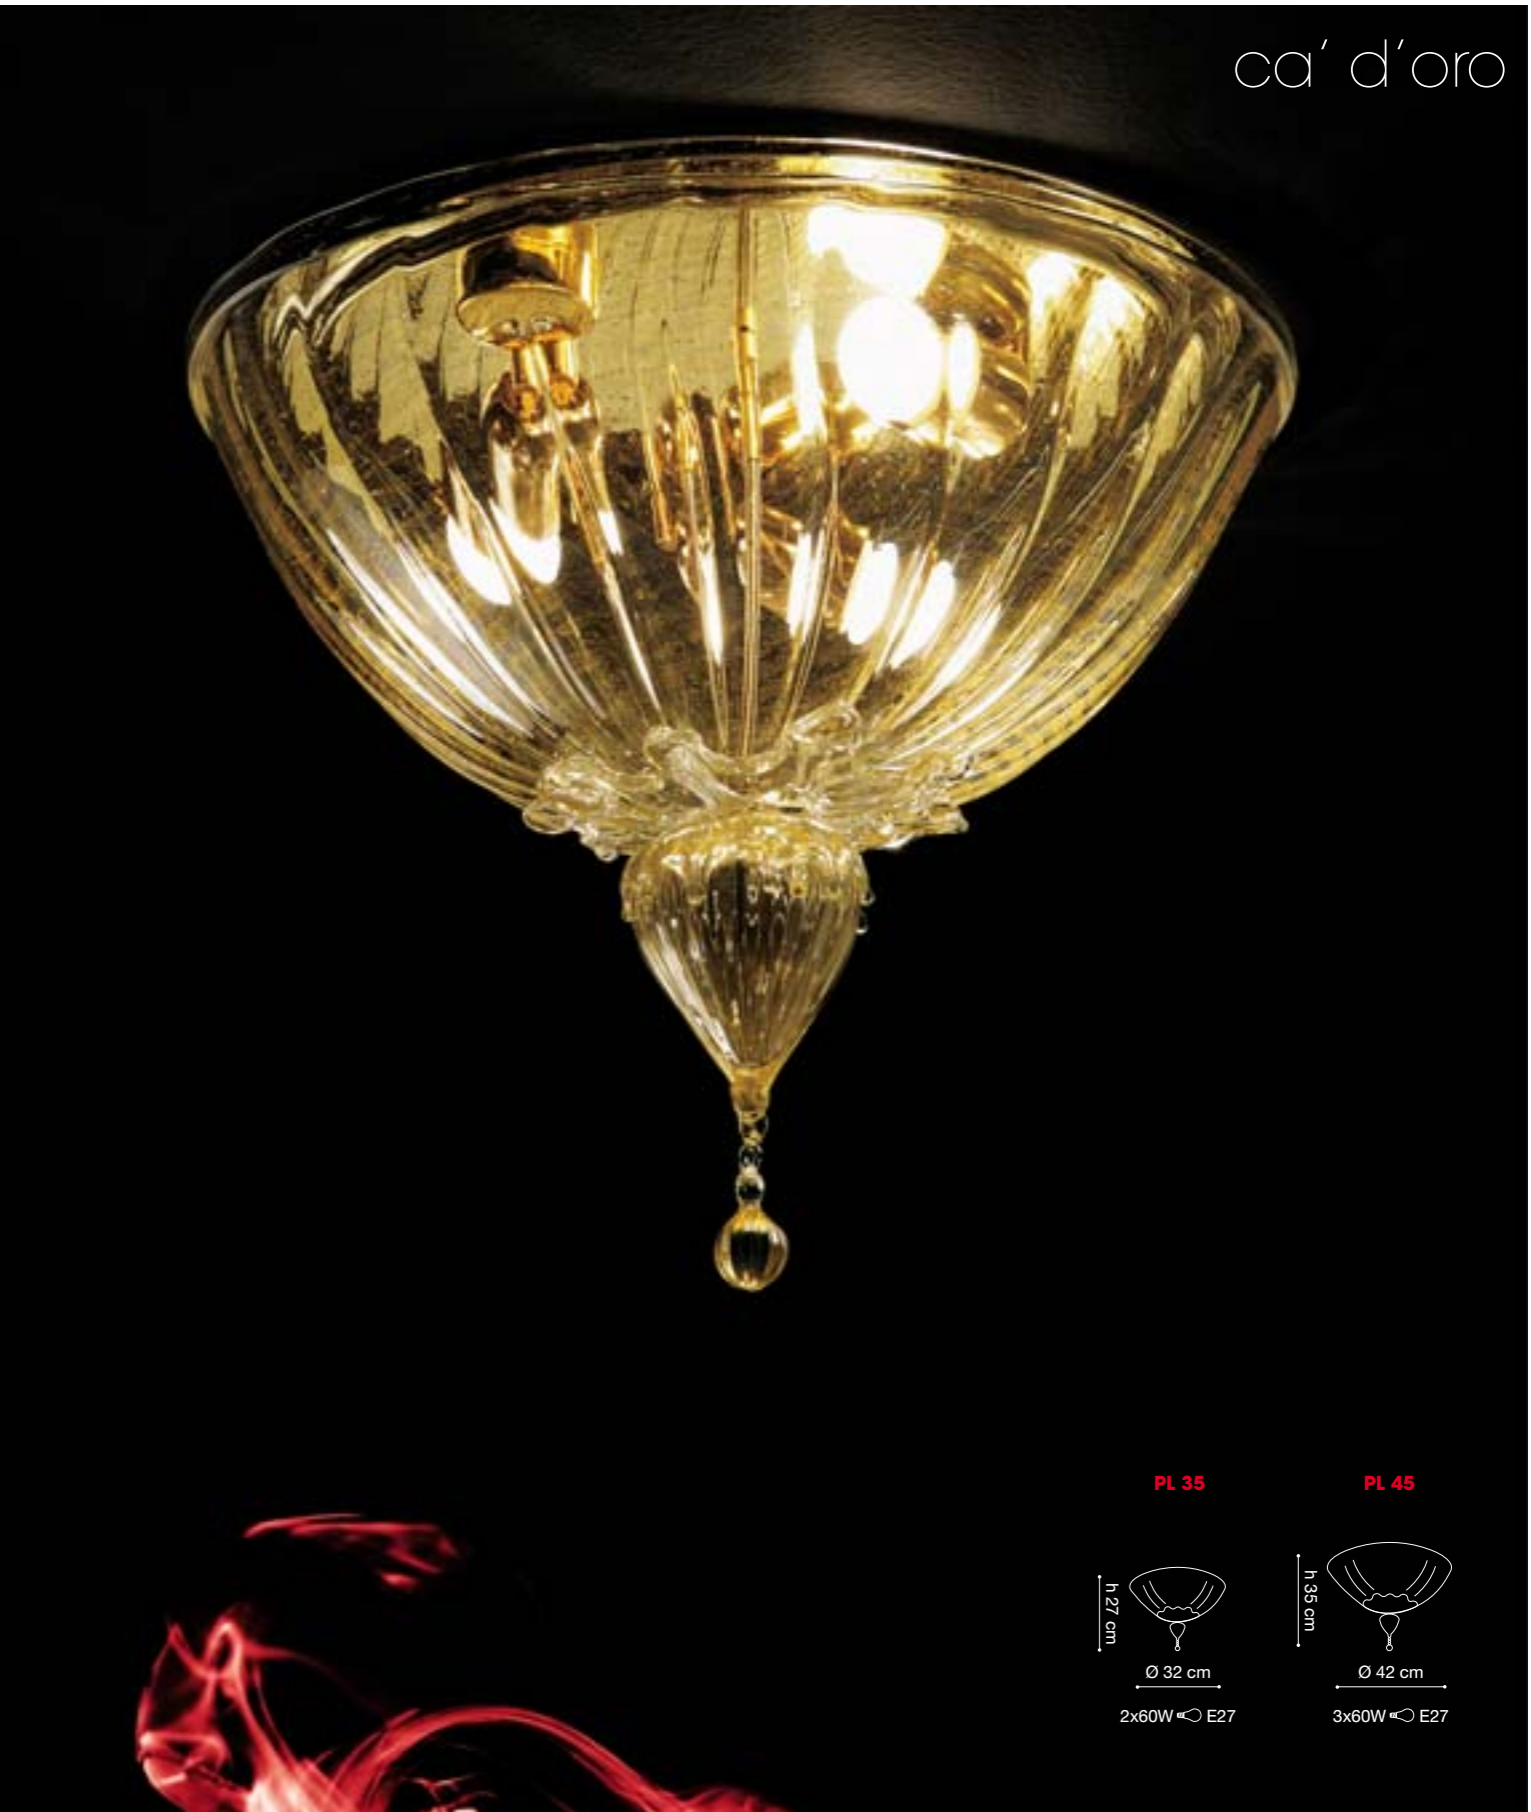

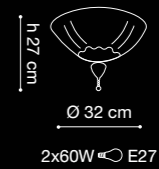

An abstract, artistic composition featuring intricate, swirling patterns of red and orange light against a solid black background. The patterns resemble smoke, fire, or liquid in motion, with varying opacities and vibrant highlights. The overall effect is dynamic and ethereal.
